

Lacrosse Parents - Scholarship Opportunities

COMPLETED APPLICATIONS DUE OCTOBER 31, 2011

The Anderson Lacrosse Team firmly embraces the opportunity for ALL players to participate on the Lacrosse team, regardless of your financial capacity.

Because this is a club sport, it is NOT supported by Anderson High School nor the Austin Independent School District. Therefore 100% of all funds must come from parent financial contributions, creative fund raising and donations. (This process requires everyone to volunteer your time & talent to successfully raise the monies needed for your son to play.)

This year's cost to play Lacrosse is \$150 for Fall Ball + \$800 for Spring Ball. This does not include some of the other equipment costs.

While it is our desire for all parents to pay for this at one time, you are welcome to:

1. Discuss a payment plan to spread your payments out OR
2. You may apply for a discounted scholarship. If you are applying for a scholarship we do expect you to volunteer to help with fund raising and/or other needs within the organization.

The most immediate volunteering is to assist at the UT Football games. Please contact Michael Villarreal mvillarreal23@live.com 512-934-0434 cell to sign up. We need 4-5 players and 1 parent per game.
